We are working on kicking off a strong Democratic campaign for the United States House of Representatives in Florida's 6th district and we need your support. Last year, with help from people like you, we achieved 28,661 votes (48.5%) in the primary. Since then, I have worked in our public schools as a teacher and served as Chair of the Volusia County Democratic Party to help modernize and mobilize our Party infrastructure.

Now, I am running again because the movement we started in 2020 cannot go to waste. In this new campaign, we have a strong impact to make toward helping marginalized people. We will continue to advocate for Medicare for All and to fight for the future habitability of our planet. We will also continue advocating for kitchen table issues such as better jobs and wages and more educational opportunities in the Daytona Beach area. These ideas resonated with Democratic primary voters last year, and I believe our message will be even more enticing in the general election on November 8, 2022.

At this time, please help kick off our campaign by making a donation, either digitally at <https://secure.actblue.com/donate/thripp> or by mailing an old-fashioned paper check to:
